

## RESERVE MILITIA FOR OHIO

### State Will Begin Enrollment of All Males Between 18 and 45 Years

## GOVERNOR CAN DRAFT

### Enforcement of Law Strengthens Belief That Guard Will be Sent South.

Columbus, March 18.—With reference to the concentration of the United States army and navy near the Mexican border and the certainty with which those in authority look forward to an order to recruit the Ohio National Guard up to war strength and send it south, the fact that all male citizens between 18 and 45 years of age are to be enrolled this year as reserve militia is regarded with a great deal of interest in state official circles.

The law which requires that this listing be made each five years, beginning in 1911, was embodied in the Ohio code passed by the last general assembly and is perfectly valid.

It provides, in short, that all healthy males between 18 and 45 shall be enrolled by the township and municipal assessors and certified by them to the auditor of the county. He shall be forced to forward the lists to the adjutant general of the state and all persons so listed shall be available at all times for military service.

They are also subject to draft by the governor, and in case of failure to answer the drafting proclamation or to furnish a substitute any one so listed is guilty of desertion from the United States army and subject to punishment accorded to deserters.

The law went into effect in 1881 and was a part of the old Ohio statutes, but so far as can be learned was never made effective and no such list has ever been filed in adjutant general's office, so far as can be found from the records.

The present law as embodied in the new code, however, is very plain and says that the enrollment shall be made in 1911 and every five years thereafter, and it must be enforced unless Gov. Harmon suspends it, as he has the power to do under Section 5185, which also gives him the power to call for such an enrollment at any time.

The governor has never suspended the law with regard to enrolling names for reserve militia, and if it has not been enforced it has been because the existence of the statute was known to only a few persons and was practically ignored by them.

The assessors of the township ward and precinct districts will probably start upon their work about the first of April, and then it remains to be seen whether they will proceed with the compilation of the lists or whether Governor Harmon will suspend the law.

Section 5183 of the Ohio code, which provides for the manner in which the work must be done, says: "Township, ward and precinct assessors, in the year 1911, and every fifth year thereafter, shall make two separate lists of persons liable to enrollment. . . . It proceeds to say that only those shall be exempt from enrollment who are less than 18 or more than 45 years of age, or are cripples or physically unfit for service, or who have already served five years in the militia, or members of volunteer fire departments in active service. Persons whose religious beliefs prohibit the performance of military service are also exempted.

Section 5184 says in part: "On or before the third Monday of the August following, such county, auditor shall make and transmit to the adjutant general a statement showing the number of each class of persons in each township, ward and precinct within their respective counties." Heavy penalties for failing to enroll are provided and also for abetting any person in his efforts to escape enrollment.

Section 5302 provides that when:

ever, in the opinion of the governor, the Ohio National Guard, working in conjunction with the volunteer soldiers, is insufficient to cope with any situation, he may order a draft upon the persons embodied in the lists in the offices of the county auditors of the state.

While it is not generally regarded as being at all significant because of the complications in the south, the law herein set forth is a very interesting one, and the question of whether or not it will be enforced this year for the first time will be keenly watched by those interested in military affairs. It is contended it would add materially to the military demonstrations which will no doubt be made in Ohio, and serve still further to show what Ohio's strength would be in case of war.

## NOSEBLEED CAUSES SUDDEN DEATH

Columbus, March 18.—A man supposed to be James Duff, aged 56 a railroad man, fell dead in front of 239 North Fifth street, Friday afternoon, as the result of a hemorrhage of the nose, the cause of which is not known.

Miss Caroline Dunlap was looking through a window of her home when she saw the man stagger and fall. She thought at first he was intoxicated, but when the body did not move she notified others and it was found that he was dead.

## PLUCKY GIRL

### Assists Patrolman in Running Down Fugitive and Takes Him to Prison in Auto.

Ft. Wayne, Ind., March 18.—Miss Italia Evans, daughter of Mr. and Mrs. Oliver Evans, a society belle and heiress, enabled Policeman Majors yesterday to land an important prisoner.

She was riding toward her home on East Berry in her car, of which she is her own chauffeur, when she saw the policeman running, with revolver ready for action. She turned her car up Clay street, overtook the officer and aided him in her car to pursue his prey. She put on high speed and the fugitive was followed several squares down an alley and was overhauled near the police station, to which he was carried in the car.

The man is Henry Fish of Wilkinsburg, Pa. He was slated for obtaining money under false pretenses. His scheme was to contract to renovate furniture, and under pretense of immediate need of money for his suffering family, he would beg an advance, promising to call for the furniture the next day.

## OHIO ELECTRIC MAY CLOSE DEAL FOR NEW SITE

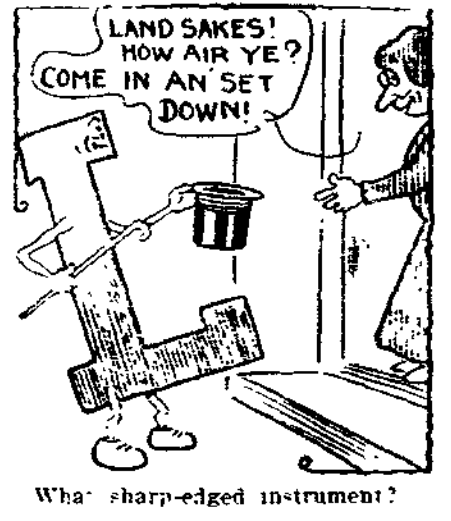

Mr. S. F. Van Voorhis said Saturday afternoon that he expected now at any time to hear from the Ohio Electric officials in regard to his proposition made to them to purchase the site on West Main street, near Fourth, now occupied by C. E. Wyeth, to be used as an interurban station, and he is of opinion that the transfer will be made in a couple of days.

He is anxious to close the matter, as other arrangements will have to be made with the present tenants.

## NEW CITY UNIT BILL IS COMING

### Will Probably be Introduced in Both Houses Monday Evening

### APPLIES TO 82 CITIES

### House Has a Tie Over Rival Employers' Liability Bill.

Columbus, March 18.—The probabilities are that the new bill exempting cities from the operation of the Rose county option law will be introduced in both houses of the legislature next Monday evening.

Home rule for cities is the principle involved in the measure, and its sponsor claims that notwithstanding the fact that it will be bitterly opposed by Wayne B. Wheeler and his associates, the bill means better and more practical temperance conditions than exist today in the "dry" towns of the state.

Common report has selected Representative William Duane Fulton of Licking and Senator Thomas A. Dean of Fremont, as the joint sponsors for the bill, but to all newspaper reporters here Mr. Fulton would make no statement and refused to be interviewed.

The bill provides that cities may vote under the Rose county option law regardless of whether the county in which they are located has voted dry under the Rose county option law.

The measure would apply immediately to 39 dry cities and would be possible of application to 82 cities. Yesterday the Cossauington city class bill was reported to the house calendar, amended to make 6,000 population the line of demarcation between cities and villages.

Should it pass, 13 cities, a majority of them dry, having populations between 5,000 and 6,000, would be reduced to the village class, thus further narrowing the scope of the new bill. They are Athens, Bellevue, Bowling Green, Delphos, Gallipolis, Jackson, Madisonville, Newburg, Painesville, Ravenna, St. Bernard, St. Marys and Wapakoneta.

One of the prominent members of the House, who opposed the Dean bill, is reported to have said Friday that while he would vote "dry" in his own city had it another option election, yet he believed it was a "fair proposition for the cities of the state to be given the right to govern themselves which a separate vote on the local option question would guarantee."

## HOUSE HAS A LIVELY SCRAP.

Following a war of words in the house yesterday, the Black majority employers' liability bill was placed on the calendar. The quarrel was between advocates of the minority and majority bills and raged with bitterness for an hour. The minority bill is set for Tuesday, and Black insisted the other bill should be on the calendar, too.

The fight was started when a member of the judiciary committee sought to report the bill amended without recommendation. Speaker Vinson held this could not be done. Reid of Fayette moved to suspend the rules and started the fuss.

It ended after recriminations and accusations culminated in Black's declaration that a statement by Greeves of Cuyahoga was "unqualifiedly untrue." Greeves said the committee on corporations had given careful consideration to the minority bill, and this aroused Black's ire. A previous passage at arms was between Evans of Cuyahoga and Chairman Gebhardt of the judiciary committee.

## USE OF UNION LABEL.

Among the bills favorable to labor reported were the Cathon bill, making it a separate offense to use a union label or union membership card without authority; the Edwards bill, making five a full train crew for passenger trains; the Bell bill, regulating the clearances overhead and upon either side of railroad tracks; the Reynolds bill, relating to the safeguarding of elevators; and the Friebohn bill amending the child labor certificate law so as to reach children employed in manufacturing at their homes.

## MORE PAY FOR JURORS

Changes in laws relating to public officials were recommended through the report of the Gardner bill, making a jurymans fee in the upper courts \$3 instead of \$2 per diem; the Frick bill, fixing the beginning of County Commissioners terms in January instead of September; and the Friebohn and Finley bills, readjusting the fees of Justice of the Peace, Constables, and Coroners. With them came the Plank bill, providing for the direct nomination of State Senators.

## BOLTON HAS MT. VERNON LAWYERS TO ASSIST IN HIS DEFENSE

Mr. Bolton, March 18.—Frank Owen and Robert L. Carr, the foremost criminal practitioners at the Knox county bar, have been retained by Lewis Bolton to assist Messrs. J. R. Fitzgibbon and Frank Bolton in his defense to the charge of murder which he will face here on April 11.

Attorney Owen is well known as a lawyer in Newark among the members of the bar in this county, and has been engaged in some important litigation which has brought him frequently to this city. An advocate of long standing, he is as far back as three years. In the bill yesterday offered by Representative Robert Crosser of Cleveland, this period is doubled, the auditor being compelled to certify the list for six years. The auditor asserts that this will bring millions of dollars into the treasuries of the counties.

Convicts for road work.

In line with the present agitation for the better employment of the convicts in the Ohio Penitentiary, representative E. C. Woodworth of Athens, yesterday offered a bill providing for using them in the construction of public works, which measure simply makes effective the present Wertz law. It requires the manager of the penitentiary to secure stone, quarries, and gravel banks and convert the output into road building material. County Commissioners and Township Trustees and other persons in charge of the construction of roads, highways and bridges must first tender proposals for bids to the state for this material and also for labor. The transportation and maintenance of the convicts detailed for work must be paid for by the county or township securing the same.

## TEA DEALERS

### Warned that Artificial Coloring Will Not be Permitted by Ohio Dairy and Food Commissioners.

Columbus, March 18.—Tea is to be tea in Ohio after July 1 without any artificial coloring. One result will be that so-called green and black species will be very much alike in appearance.

Dairy and Food Commissioner Strode has sent notices to grocers and dealers informing them that the national board of tea experts has instructed that no artificially colored teas can be admitted to the United States after May 1.

In his notices Commissioner Strode gives Ohio dealers two months of grace. The notices give ample warning that any violation of the order will meet with prompt prosecution from his department.

Artificial coloring of tea has led to several varieties known as green, black, etc. The general appearance of tea after the new order becomes effective will be the same no matter what name it is known by.

## THOUSANDS CLAIMED BY PLAGUE.

Calcutta, March 18.—Eighty-eight thousand four hundred and ninety-eight people died in the year ending in February, as a result of the plague, according to official figures.

## MURDERED AND ROBBED.

Chattanooga, Tenn., March 18.—The body of Tom Goodwin of Sparta, Tenn., was found in a cedar thicket on the mountain where he had been shot and killed. His gun and watch were missing.

## MEXICO TO BE OBJECTIVE OF WAR MOVE IN THE NEAR FUTURE IS GENERAL BELIEF

San Antonio, Texas, March 18.—Almost armed intervention in Mexico under the guise of ending the revolution, restoring peace and protecting foreign interests, but with the possible real motive the prevention of a Japanese-Mexican coalition, was believed inevitable by the highest officers of the first "maeuver" division today.

Secret orders were issued today to brigade and regimental commanders to prepare the division for instant field service, not under tactical conditions of the orotical war, but under actual war conditions.

The first maneuver division came to San Antonio on less than a peace footing, scarcely 8,000 trained men arriving with the regiment organizations. Recruits have been rushed into the ranks until today the division numbers 12,000. These 4,000 recruits are absolutely untrained. They do not even know how to handle a rifle. But they have been put through the most rigid course of instruction recruits ever encountered, spending from six to eight hours daily under drill sergeant's learning the rudiments of drill. Major General Carter today instructed regimental commanders to rush detachments of recruits to the rifle range at Leon Springs, Texas, 25 miles away, for rifle practice and instruction in working and caring for the Springfield. This is done in peace times, recruits usually being thoroughly drilled before being taught to shoot.

That Mexico is to be the objective of a war move is practically conceded here today.

The Southern Pacific railroad is admitted to be holding sufficient passenger and stock cars in this neighborhood to throw a cavalry brigade into Mexico in a single day. The pontoon bridge equipment brought here by the engineers has been hastily shifted to Southern Pacific cars and placed on clear tracks, ready for instant use. Large military bands of Mexico have been served out to officers, who were ordered to study the country and its military possibilities carefully.

The troops are now their toes with the expectation of immediate action. It is believed that less than a week will tell the story. Whatever impels the move, it is certain that General Carter has been instructed to be prepared for immediate action and that rank and file are jubilant.

If the expected eventualities do not materialize within a week, the division will be split into minor units for financial instruction. The moment the order is given for this, officers say it will be certain that intervention in Mexico has become unnecessary. But just as

## MAY SETTLE THE STRIKE

New York, March 18.—President Taft and the American Federation of Labor and Congress today of the International Chamber of Commerce, will arrive tonight and are expected to quickly settle the general strike question. Labor leaders here are dead against a strike and the hot heads will control the situation. They are hoping that Mayor Wilson of the state labor department can secure peace.

## FIRE DESTROYED TOBACCO BARN

Lebanon, O., March 18.—Of 100 acres of the National Cigar Leaf Growers' association are here today investigating last night's fire which destroyed the tobacco barn and shed of H. J. Duke causing a loss of \$20,000. Duke was credited in 1910 with \$25,000 worth of tobacco. He has recently received letters threatening him because of his independent stand regarding the tobacco transactions.

## ANNOUNCE WEDDING OF BRYAN'S DAUGHTER

Lincoln, Neb., March 18.—Miss Grace Develin Bryan, daughter of Mr. and Mrs. W. J. Bryan, will be married on early in June to H. H. Hargreaves, a prominent man of Lincoln. Announcement of the engagement was made last evening by Mr. and Mrs. Bryan.

The attachment of the young couple is of long standing, and has met the approval of their families. Both were born in Lincoln, and were schoolmates together, and have lived here most of their lives. Grace Bryan is the youngest of the three children of Mr. and Mrs. Bryan.

Mr. Hargreaves is the only son of Mrs. A. H. Hargreaves. His father, a pioneer merchant of Lincoln, died last October. He is 22 years old and his bride to be is 20.

## RAPID WORK IN EXCAVATION ON PANAMA CANAL

Washington, March 18.—The excavation in the central division of the Panama canal, including the great Culbreth cut and the Chagres section, during February was the greatest on record, being 1,408,338 cubic yards. Altogether in that division 71,933,322 yards had been excavated, leaving 26,091,496 yards to be removed. Taking the canal as a whole, up to March 1 there had been taken out 131,829,436 yards, leaving to be excavated 50,798,330 yards.

## STATE SOCIETY WILL MEET IN NEW HOME

Columbus, March 18.—When the formal dedication of the new Knights of Columbus auditorium takes place soon, there will be present, besides Governor Harmon and Bishop Hartley of Columbus, the supreme grand knight of the Knights of Columbus in America, J. F. Flaherty of Philadelphia.

The versatile head of the organization is an eloquent talker and his presence here on the occasion mentioned is a distinct compliment to Council No. 400 and a recognition of its achievements in acquiring its own home.

Grand Knight John G. Price and his building committee are actively at work on formal plans for the dedication, which will be announced soon.

Because of the facilities afforded by the new auditorium, the Ohio Federation of Catholic Societies, which convenes this year in Columbus, will assemble in the new structure.

## QUEEN ALEXANDRA

### Sent Shamrocks to All the Irish Guards at Dublin Castle.

Dublin, March 18.—St. Patrick's Day was celebrated throughout Ireland with unusual enthusiasm because of the promise of home rule at an early date.

The trooping of the colors at Dublin Castle was carried out with elaborate ceremony. Queen Mother Alexandra sent the customary present of shamrocks to the Irish Guards, every soldier of which was decked with a spray when on parade.

## SUFFERING WHISKERS!

Winsted, Conn., March 18.—A most unusual accident, that resulted in his losing most of his flowing white beard, befell Samuel Waldron of the hamlet of Hartland, today. He went fishing through the ice in Toland, across the line. The day was one of the coldest of the winter and a gale prevailed. Suddenly Waldron saw one of the little red flags on a tape go up, but when he attempted to pull up the line it seemed to be fast. Getting down on his hands and knees, the aged fisherman peered into the hole in the ice to discover the trouble, if possible. His efforts were unsuccessful and when he went to raise his head he found himself a prisoner, his flowing whiskers, blown by the wind, having frozen to the ice. Fortunately, he carried a jackknife, which he extracted from his pocket with difficulty and with it cut off fully one-half of his long beard, thus releasing himself.

## ROOSEVELT ASSISTS AT DEDICATION

### Phoenix, Arizona, in Gala Attire Welcomes Ex-president

## BIG IRRIGATION D.M.

### Which Has Attracted Prominent Engineers Will Reclaim Desert Lands.

Phoenix, Ariz., March 18.—To lead the Roosevelt dam Col. Roosevelt arrived here today at 9 a. m. He was given an enthusiastic reception and with a large party at once entered autos and started for the dam, 80 miles away. The opening ceremonies took place this afternoon. Governor Sloan first read a letter from former Secretary of the Interior Ballinger, discussing the dam, and then introduced Colonel Roosevelt, who discussed conservation in a formal address.

Roosevelt then opened the gate, which turned the water into the irrigation canal. The colonel's party will spend tonight at the dam, which will be illuminated at all points when Miss Ethel Roosevelt switches on the current.

Phoenix, Ariz., March 18.—Adorned in gala attire, Phoenix today declared a three-day festival. The entire population, mingling among which were many strangers and the only living ex-president, adjourned to the site of the Roosevelt dam for the dedication exercises of that great mountain of masonry.

The structure, one of the wonderful engineering achievements, which Uncle Sam is transforming his desert lands into fertile and productive farm lands, was completed Feb. 5, and formally dedicated by ex-President Roosevelt today. So marvelous has been the course of construction of this irrigation dam that from the beginning it has attracted the eyes of the prominent engineers of the world.

Its dimensions are startling. At the base it covers an acre of ground. Its height is 280 feet; on top it is 1080 feet long; at the bottom it is 170 feet thick. A 2-story building covering a city block would not fill the space occupied by this towering masonry structure.

Located in a canyon heretofore inaccessible, 62 miles from the nearest railroad, the construction of this dam, involved many problems and taxes the ingenuity of the builders to the utmost. Their first problem was the construction of a broad highway. For 20 miles this traversed a trackless desert; and for 42 miles more the road was literally carved from canyon walls or blasted from the steep-sided mountains.

It is now considered one of the most remarkable highways in the world. It opens up to the traveling public a country unrivaled in grandeur and beauty and makes easy access to some of the best preserved cliff dwellings in the southwest.

In preparation for the construction of the dam the government engaged in many activities. An immense power plant was installed near the site selected for the structure. A cement mill was built, with an output of 500 barrels daily. It has turned out, in all, approximately 340,000 barrels, at a saving to the government of more than \$615,000.

Two farms were operated to supply provisions for the camp and forage for the live stock. Domestic water supply was piped from springs miles distant.

Nearly 800 Apache Indians were employed for several years upon the construction work. A telephone line, somewhat over 100 miles long, and power transmission line 75 miles long, were both constructed and have been in operation since the commencement of the task.

While the Roosevelt dam has been the principal single structure in connection with the Salt River Valley project, other important engineering work has been going on at the same time. A few miles below the dam another big structure was built to turn the stream flow into two huge canals, which, with the

### INDIGNITIES

SUFFERED BY WEALTHY SOUTH-ERN WOMEN AT HANDS OF CUSTOMS OFFICIALS.

Matter May Be Taken to Court or Appeal Made to Government at Washington.

New York, March 18.—The family reunion on the Cunard pier this morning of Joseph Hull, the millionaire president of the Merchants' National bank of Savannah, Ga.; his son, Daniel, a wealthy cotton merchant, doing business in this city; and Mrs. Hull, his wife, who had just landed from the Lusitania with her daughters, Nina W. and Elizabeth L., after a trip in Europe, was interrupted by the thorough inspection of the twenty pieces of baggage of the three women and the personal searching of Mrs. Hull and Miss Nina Hull, all on the strength of a tip which the customs officers are said to have received from a Georgia family in regard to the "mysterious" purchase of a diamond necklace and other jewelry abroad. The tip is the result of social jealousies, according to the Hulls.

The two women were taken back to their stateroom, B-68, on the Lusitania and compelled by a female inspector to remove shoes and part of their clothes, as nothing in the way of jewelry had been found in the twenty pieces of luggage, nine of which were trunks.

"We were made to take off even our stockings, and our hair was searched," said Mrs. Hull. Five trunks were ordered to the appraiser's storehouses.

Because of what they consider the indignities to which Mrs. Hull and Miss Nina were subjected, Mr. Hull and his son threaten to take the matter to court and possibly to appeal to the Government at Washington.

When Mrs. Hull and Nina were being searched in a cold stateroom or the Lusitania the other daughter, Elizabeth, who had been barely able to make the voyage because of a recent attack of typhoid fever, was being taken to the hotel Albemarle at Broadway and Twenty-fourth street.

### GAS COMPANY

WILL PROBABLY NOT ACCEPT ORDINANCE FAVORED BY COLUMBUS COUNCIL.

Agreement Reached by Solons on the Thirty-cent Rate for Ten Years. May Sell Gas Elsewhere.

Columbus, March 18.—Thirty-cent net gas for ten years.

Such was the understanding reached by the members of the gas and electricity committee of council last night, though action was postponed until 4 p. m. Monday. An ordinance embodying this rate will be drawn in the meanwhile, approved by the committee Monday afternoon and introduced at the council meeting that evening. Whether any efforts to secure its passage then will be made, was not determined last night.

The decision came as a climax of an evening's discussion lasting until 11 o'clock. It faces the statements of both L. G. Addison and T. H. Clark that the company will not accept, but will sell its gas elsewhere. The company wants a 30-cent net rate for five years and a 35-cent net rate for the succeeding five years.

S. S. Wyer, one of the experts who investigated the supply last summer, advised a 30-cent net rate for five years.

"Fifteen and 20-cent gas is ancient history in Ohio," he said, "and I doubt if a 25-cent rate can be enforced."

Professor E. A. Hitchcock, Wyer's associate, did not agree with Wyer's advice, but would not commit himself on a rate.

According to Wyer, whose statements supported the company's contentions practically in every particular, the cost of production of gas has

### ORDER TREES NOW FOR ARBOR DAY

Between 200 and 300 shade trees have been ordered by Newark people for planting on Arbor Day, April 7.

The Board of Trade hopes to have at least 300 trees planted in this city on Arbor Day and that as many orders can be received as possible. Arrangements have been made for the school boys and girls to call upon the people Tuesday and Wednesday, March 21 and 22 to take orders. Those who may be missed by the boys and girls can telephone their order to the Board of Trade, new phone 991 or Bell phone 282. If you will order your trees now they can be bought for 40 cents each. Order any number you need. The trees will be delivered to the public square on April 6th, where they may be secured for planting the following day.

The town has been divided into districts and an effort will be made to call at every house in order to get orders from all who should have trees. If you are missed phone the Board of Trade not later than Thursday, March 25, as the order for the trees must be given on that date.

The school boys and girls will plant a number of Elms in the Court House park with suitable ceremony on Arbor Day. 18-21

Pleased is a very inadequate word to use in regarding the feelings of the large audience of Newark and Granville people at the Minuet Recital given by the Piano-forte pupils of Mrs. Charles White and Miss Bess Glenn, of Newark, and Granville, in the Granville Opera House Friday evening. The program, which had been specially prepared by Mrs. White, was one of great excellence, and all the numbers given were the finest in the repertoire of musical genius, and the effect was exquisite. All the pupils displayed high musical ability and their work was appreciated by everyone. While the program was one of a very difficult nature, it was handled in the most artistic manner throughout. Altogether, it was a most beautiful entertainment and though quite lengthy, all were sorry when the last number died away and the curtain was rung down on one of the most enjoyable piano-forte recitals ever heard in Granville. The program was as follows:

Wolfgang Amadeus Mozart, 1756-1791—Minuet from Symphony in E flat—Arranged for four hands—Kathryn Steinmetz, Helen Vogelmeier, Marc Butry, 1876—Village Minuet—Frances Powell.  
Ignaz Joseph Pleyel, 1757-1831—Menuet—Mildred Jones.

Etienné Nicolas Muhl, 1768-1847—Menuet Original—Mary Carl.  
Ludwig van Beethoven, 1770-1827—Minuette from Sonata Op. 31, No. 3—Cathryn Jones.  
Wolfgang Amadeus Mozart, 1756-1791—Minuette Gigue—For two pianos, eight hands—Cathryn Jones, Margaret Colwell, Elizabeth Evans, Florence Carney.

Mr. James Whitaker was very pleasantly surprised Tuesday evening, March 14, at his home, 130 Madison street, by a number of friends and relatives. Mr. Whitaker also surprised his guests by being too ill to sit up. The evening was spent in playing cards. Some musical selections were ably rendered by Mr. Whitaker's daughter Hazel and Mrs. Chas. Brubaker. An appetizing supper was served to the following: Messrs and Mesdames C. W. Kocher, J. Wm. Korb, George W. Strider, H. J. Williams, A. E. Schade, C. R. Mitchell, W. E. Graef, George Williams, W. T. Bowman, Ed. Smith, William Long, E. S. Steele, Louis Mours, Renich, Trost, John E. Herbert, John E. Streitt, H. L. Baker, Jas. Thompson, Joe Smart, George Green, Augustus Moser, Mr. and Mrs. Geo. Holler of Brushy Fork, Mr. and Mrs. Clarence Luther, Mr. and Mrs. Martin Luther, Mrs. Chas. Luther, Mr. and Mrs. Joseph Moser and son, Walter, Mrs. Eva Poland, Mrs. Chas. Brubaker and sons, Kenneth and Carl, Mrs. John Richardson and daughter, Eva, Mrs. Wm. McKinley, Mrs. James Whitaker, Miss Hazel Whitaker, Miss Hazel Whitaker. A good time was spent by all in spite of the host's illness. Mr. Whitaker received a fine leather chair from his friends, to whom he extends his thanks, also to those friends who so kindly remembered him with post cards.

On Thursday evening about twenty-five friends and neighbors gathered at the home of Mrs. Sturman in Leroy street for a masque surprise party. Those present were: Mesdames Jeck, Albright, Chesley, Seely, Atwood, Wilson, Welsh, Lovell, Mrs. Boner and

daughter Murrell, Maude Martin, Vera Martin, McNally, Helmut, Mrs. Beasley and daughters Bernice and Margaret, Mrs. Morrison and daughter Colina, Irwin Place and Smith, Williams, Chapman, Sigler, Robinson, and Florence Robinson.

The March meeting of Hetuck Chapter Daughters of the American Revolution was held at the home of Mrs. A. W. Beard in Granville street, on the afternoon of Friday and a most enjoyable few hours was spent. The paper of the afternoon was by Mrs. W. D. Fulton, who spoke on "State Roads." A social session followed and dainty refreshments were served.

Miss Kathryn Suter is the entertaining hostess to the members of the Photo-club at her home in North street this afternoon. The interesting program has been arranged as follows: "It is as great to be a woman as a man"—Whitman.  
Roll call, Mrs. Hemans—Miss Armstrong.  
Life and Works of George Eliot—Mrs. Sayre.  
Book Review, Middlemarch—Mrs. Cosner.  
Piano Solo—Mrs. Richards.  
Thackeray, with selections—Miss MacMahon.  
Parliamentary Drill—Mrs. Holtz.  
Critics Report—Mrs. Horner.

The meeting of the Review club is being held this afternoon at the home of Mrs. Clifford Sturgeon in North fifth street. The following program has been arranged:  
Roll Call, Quotations—Mrs. William Zentmyer.  
A Side Trip to Perugia—Mrs. John Tucker.  
The Tiber—Mrs. Walter Symons.

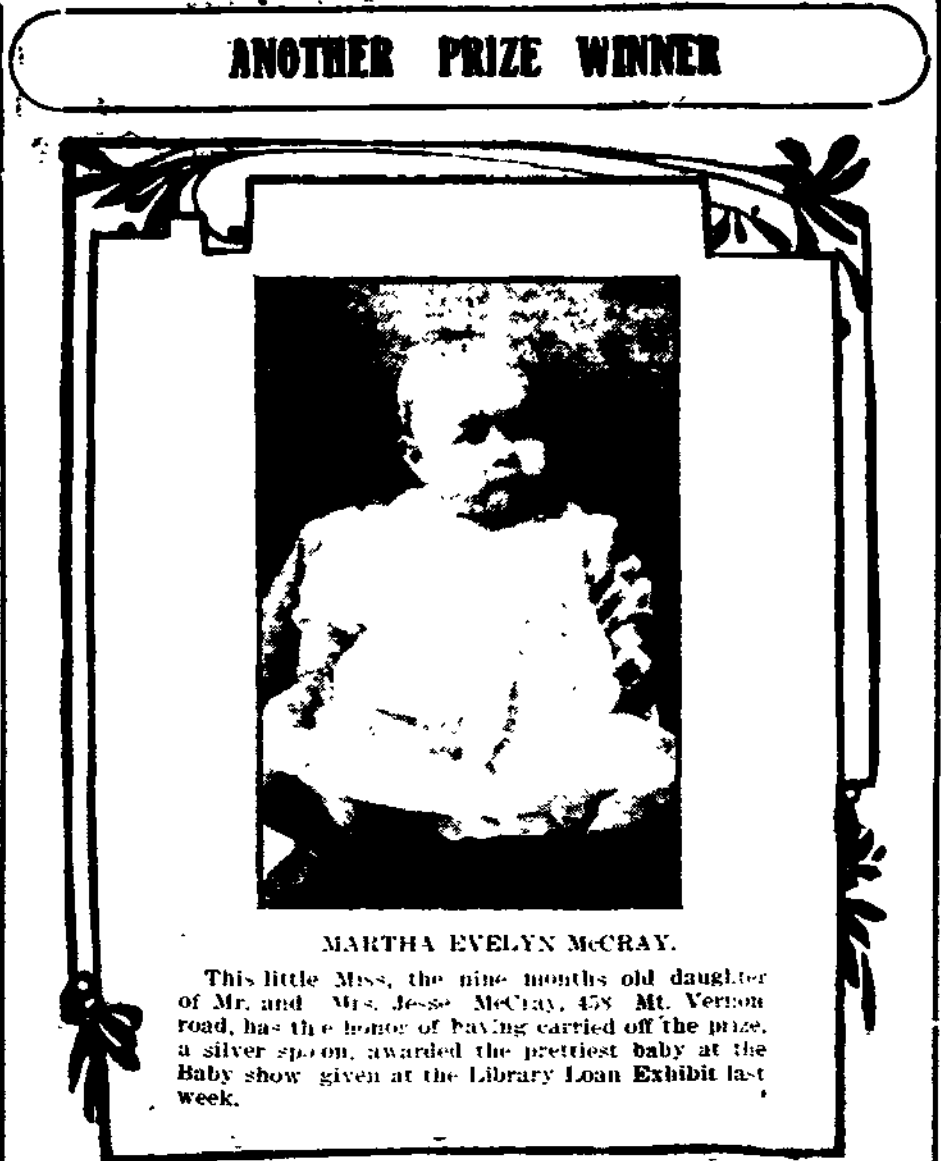

This week's meeting of the Coterie club was postponed until Friday of next week.  
One of the prettiest of the celebrations given on the afternoon of St. Patrick's Day was the Colonial Sewing Circle entertained by Mrs. Lederer in Manning street. The afternoon was spent in sewing and a general good time was had, and a splendid reading by Mrs. McNeely and current events by Mrs. Chesley. At 3:30 the club and guests were served with an elegant two course lunch, which was typical of Ireland. The favors were small silk fish flags. Instrumental music was furnished by Miss Evelyn Canfield.

The guests were Miss Lois McNeely, Mrs. Pearl Richardson, Mrs. William S. Webb of Charlottesville, Mrs. John Robinson and Mrs. Henry McLaughlin. The next meeting will be held March 31 at the home of Mrs. Ryan 54 Dewey avenue.

The Research Club is meeting this afternoon at the home of Miss Mary Fulton east of the city. The following program is on the calendar:  
Quotations, The Winter's Tale—Miss Scott.  
Paper-Crafts and Wares of Our Country—Mrs. Wilson.  
Outline of the Play—Miss Crawford.  
The Winter's Tale, Act I-III—Readers: Miss Lawyer, Miss Kilpatrick, Miss Frye and Miss Haughey.  
Critics—Mrs. Turner.

A pleasant surprise in the way of a silver wedding anniversary was given Mr. and Mrs. Elijah Ponsler at their pleasant home in South First street Wednesday, March 15. Many games of various kinds and fine music were the amusements, when at a late hour lunch was served the guests. At a late hour all departed for their homes wishing Mr. and Mrs. Ponsler many more happy anniversaries. The silver present from the guests were beautiful. Following were present: Messrs and Mesdames Louis Hewarth, William Murrell, Charles Reed, J. H. Haibes, James Duncan, George Howarth, James Myer Hall, Elijah Ponsler, Ray Ponsler, Chas. Denny, Mrs. Charles Mitchell, Mrs. William Howarth, Mrs. Walter Reed, Miss Alice Mitchell, Miss Mary Ponsler, Miss Florence Ponsler, Messrs Lawrence, John Geinger, Ernest Geinger, Walter Geinger, Frank Volvenger, Robert Costello, Paul Wolverton, James Denom, Irwin Temple, Merle Murrell.

The Busy Bee Sewing club was entertained on St. Patrick's Day at the home of Mrs. Atwood in West Main street, fifteen members being present. After giving the needle and a social good time, a delicious lunch was served. At the close a guessing contest was held, the prizes being awarded as follows: Mrs. Anna Albright first, and Mrs. Frank Holme second. The meeting adjourned to meet April 21 at the home of Mrs. Hannah Priest, 2nd South Fourth street.

MARTHA EVELYN MCCRAY.

This little Miss, the nine months old daughter of Mr. and Mrs. Jesse McCray, 478 Mt. Vernon road, has the honor of having carried off the prize, a silver spoon, awarded the prettiest baby at the Baby show given at the Library Loan Exhibit last week.

host and hostess, Mr. and Mrs. Frank Redman.  
Mrs. J. H. Zentmyer gave the second of a series of two parties at her home in West Locust street on Friday evening. The interior decorations were of the green flags and streamers. The evening's entertainment was Five Hundred and the trophies were received by Mrs. E. S. Miller and Mr. Ellier while the consolation souvenirs were awarded to Mrs. William Zentmyer and Mr. E. J. Maurath.

A delicious supper was served at the conclusion of the game to several tables of players.  
The Thursday Bridge club was most delightfully entertained on Friday afternoon at the home of Mrs. A. R. Pitzer in Hudson avenue. The club game proved entertaining and the souvenirs were awarded to Mrs. C. W. Miller and Mrs. Edwin Besuden while Mrs. Sarah Rosbraugh received the guest's trophy. The appointments at the luncheon served were in harmony with the idea of the holiday. St. Patrick's festival and all the viands and table decorations were arranged with green. The guests were Mrs. Sarah Rosbraugh, Mrs. Charles Kellenberger and Mrs. Frank Webb.

The Doni Zetta girls met with Miss Ruth Hirst at her home in West Locust street on Saturday, March 11. The following program was rendered by the members, the composer studied being Mendelssohn:  
Solo, Spring Song—Inez Korb.  
Solo, Spring Song—Inez Korb. Accompanied by Mildred Woodward.  
Duet, O Sanctissima—Mildred Lees, Daisy Steiman.  
Solo, Prelude in E Minor—Mary Simpson.

Life of Mendelssohn—Inez Korb.  
Other selections were "Dance of the Demons," "Flower Song," "Robins Return."  
Light refreshments were served the following members and guests: Misses Inez Korb, Mary Simpson, Mildred Lees, Daisy Steiman, Mildred Woodward, Marie Bell and Mrs. Bell.  
The next meeting will be held with Mildred Lees at her home in West Church street March 25.

A children's party that was delightful in all the arrangements was that given by Mrs. Oscar Scheidler on Friday afternoon at her suburban home, honoring the seventh birthday anniversary of her son Richard. In response to clever little invitations the little guests assembled and a merry afternoon was spent with games.

In the peanut hunt the souvenirs were awarded to Kernan Wingerter and Meriam Daly while in the contest for pinning the tail on the donkey the prizes went to Hazel Shimmel and Jack Wingerter. Then there had been arranged a large fishing pond from which each tiny guest drew a prize.

A luncheon was served at a large table which had been a centerpiece the birthday cake with seven candles and center clusters of white carnations and chrysanthemums. The favors were green baskets and hats filled with candy, while each one received a paper cap. The place cards were numbered in green.  
The guests were: Kernan and Jack Wingerter, John and Richard Francis, Esther Louise, Meriam Daly, Charlotte Kratz, Hazel Shimmel, Amy Collins, Edith King, Benjamin Herman, and Richard and George Scheidler.

**CROWTHERS-DUNLAP**  
At 9 o'clock Saturday morning Rev. L. C. Sparks, minister in word, Mr. Harry Crowthers and Miss Louise Dunlap, both of this city, the ceremony which took place at Mr. Sparks' home, was witnessed by Mrs. Jennie Casper and Mrs. Sarah Korb. They will reside in Utica.

**SCHENK CASE IS AGAIN POSTPONED**  
Wednesday, March 15—Mrs. Laura Schenk, for attempting to poison her mother, her husband was again postponed to try at the request of the prosecution. He claims that the case will surely be tried at the May term and that he has new evidence which will surely convict her.

## JURY VENIRE IS DRAWN IN BOLTON CASE

The interest manifested in the trial of Lewis Bolton continues in Newark, in spite of the fact that the case will be tried in Mt. Vernon, and there is still a wide difference in opinion as to the wisdom of having secured a change of venue to that county. Some are of opinion that there is as much prejudice in the case existing there as in Newark, while others are just as emphatic in the assertion of their opinion that any place is better for the defendant than Newark would have been.

The names of 36 men have been drawn from the jury wheel at Mr. Vernon, and Sheriff Parker and his deputies will lose no time in serving the summons to appear April 11, at which time the case will be called.

The line of prosecution to be followed by the state is not known in detail, and only a general surmise can at present be made as to the nature of the case the state's attorneys will endeavor to make out, but it is the general belief that it will be under the "aid, abettor or procurer" statute, which provides that any one who does any one of the three may be prosecuted as an original offender.

The names of the men drawn as talesmen are as follows: giving the ward of the city or township in which they live:  
Silas Weaver, Third ward.  
Charles Ebersole, Wayne.  
G. B. Ridenour, Wayne.  
Timothy Bartlett, Monroe.  
W. H. Burger, Clay.  
James Burson, Wayne.

## AKRON MOLDERS OUT ON STRIKE

Akron, March 15—One hundred and fifty union molders struck today to enforce a demand for a two cent increase in pay. They are now receiving \$4.00 to \$5.00 a day, when working, but they claim that if employers are not paying up to a wage agreement made by Chicago last summer, the employers say they will meet the strike.

First Showing of Phipps' New Spring Hats at Clouse & Schauwekers, Saturday, March 18, 1911

Your hat must suit you.

THE hat that looks well on you may look altogether out of place on your dearest friend.  
You can't change the curves that make your individuality—you cannot change your lines to suit a hat—its lines must suit you.

The master milliners—the creators of millinery styles worn by New York women—realize this. Consequently the Phipps Style Line shows infinite varieties of type and tone, so that each woman may find the ideal framing that brings out the dominant curves of her face.

Look through the Phipps New York Styles for the hat with the lines that were designed to show off the curves of your type of face.

**WHY DREADNOUGHTS  
SHOULD BE DREADED**

Fashions in war ships change so  
fast that only the experts can keep up  
with them. The Dreadnought style  
was only introduced five or six years  
ago. All naval powers are now spend-  
ing fortunes in providing themselves  
with this sort of war vessel, and now  
the professor of naval architecture in  
Liverpool University tells us that it is  
going out of fashion before long. The  
future battleship, he predicts, will be  
an oil-driven semi-submersible, pro-  
tected by a thick horizontal deck and  
under-water armor strong enough to  
resist torpedoes. It will have big guns  
on high towers, and will be hard to  
hit or sink. And as soon as one nation  
gets an "oil-driven semi-submersible,"  
all the Dreadnoughts will be candi-  
dates for the marine graveyard and all  
the hundreds of millions spent upon  
them will be wasted. Of course we  
must not be entirely out of style, but  
we would be prudent, if we built  
Dreadnoughts very moderately.

There seems to be a strong senti-  
ment among Democrats throughout the  
south and southwest in favor  
of nominating Judson Harmon for  
president next year. A few days ago  
in Tucson, Ariz., a Harmon for Presi-  
dent club was organized, while last  
Thursday at Montgomery, Ala., the  
Harmon State Democratic club of Ala-  
bama was organized to boom Harmon  
for President. Both of these organiza-  
tions were formed without any effort  
on the part of Judson Harmon. The

**UNCLE WALT**  
The Poet Philosopher  
The winter must leave us, it's now on the wing, so let's shoot the poet who warbles of spring! For birds cannot write of the leas and the trees, without ringing in both the trees and the breeze; they're always referring to sweet woodland nooks in order to work in some sort about hives. They mangle their metre with scheming rhymes, to give us some dose about blossoms and buds, they bring in the robin and bluebird and hunch, the sandy woodpecker—that's always a chinch. Let's shoot up the poets as soon as they sing, and thus do away with the terrors of spring! Too long have they bored us with murmuring streams, with stars and with moons and their second rate beams; too long have they chanted of roses and lilies to people who struggle for bacon and prunes; too long have they warbled of bees and of ants for men who have patches all over their pants. If poets must sing let them cut out the brooks, the meadows, the zephyrs, the picturesque nooks, and sing a few lines about onions and peas, and cabbage and turnips and dandelions like these; then broken backed toilers in garden and yard will list and not throw any bricks at the bard.

Governor's achievements as executive of the Buckeye commonwealth has convinced members of these clubs that Harmon is the logical choice for president.  
The Japanese war scares are becoming too absurd for the American people of intelligence to tolerate. It will be timely for Russia to renew the cry of the "yellow peril" when the Japs again interpose objection to the Muscovite conquest of China.

**KEEPING FAITH  
WITH THE PEOPLE**

Indications are that the beneficent achievements of this general assembly will exceed those of any session that has been held for many years. Efforts have been made to discredit Democratic legislators and to designate them as being traitors to their party, but the facts do not warrant these allegations. All Democratic legislators are working in harmony with the Governor to keep faith with the people by redeeming every party platform pledge. There has been a slight disagreement in the senate among Democrats as to whether the Stockwell Oregon plan bill of electing United States senators, or the party plan proposed by Senator Dore, were pledged. Unfortunately this platform was indefinite on this subject. On all other party bills Democratic senators have voted solidly. Thus there is no war on between Governor Harmon and four alleged reactionary senators is shown in the statement of Senator Cerone, one of the four. He said, "I am not making war on Governor Harmon or his policies. The Democratic state platform does not demand the Oregon plan, and my judgment leads to a different construction, and my position is an honest one. I have been in harmony with Governor Harmon on numerous policies since he became executive, and will agree with him on other important measures before the session closes."

**Has Millions of Friends.**  
How would you like to number your friends in millions as Bucklen's Arnica Salve does? It's astounding cures in the last 40 years made them. It's the best salve in the world for sores, ulcers, eczema, burns, boils, scalds, sunburns, sore eyes, sprains, swellings, hemorrhoids, cold sores. Has no equal for price. 25c at F. D. Hall's.

**BIG NIGHT AT "Y."**  
Tonight's the big night at the Y. M. C. A. Play vs. the Y. team promptly at 8 o'clock. Any one who is lover of good, clean, fast baseball ought by all means to be on hand to see this game. You can't afford to miss it. They did it once, come see if they will do it again.  
Piqua is the only team that has ever defeated the local boys; they did the trick at Piqua last January, 36 to 30, and have the proud record of being the only team that has ever won on the boys over.  
Game will start at eight o'clock, and anyone who is thinking of attending had better come to the Y and secure their tickets or else phone in, as they are going very fast and the gym will only take care of so many. This will close the season for the Y. team and they have a great record, only losing one game, and that to the team that plays tonight.

**JEALOUSY**  
Caused Husband to Shoot Wife in Dayton Department Store, After Which Kills Self.  
Dayton, March 18.—In a crowded department store on Fifth street late yesterday afternoon Clarence Thornhill shot his wife, Florence, 25 years old, a saleslady, in the back, inflicting probably fatal wounds, and turned the weapon upon himself, sending a bullet into his forehead, from the effects of which he died late in the evening.  
The store was thronged with shoppers at the time and a scene of pandemonium followed the enactment of the double tragedy. The couple had been separated for the past two weeks, following domestic infidelities that had extended over a considerable period of time. When he sought reconciliation at the store she refused to talk with him.  
Baffled, Thornhill reached for his revolver. Mrs. Thornhill turned to flee when he fired into her back. The bullet lodged in her lungs. With a scream she reeled, crying "Oh, my God, save—save me." Shoppers and employees ran or fell in a faint.  
Thornhill then placed the weapon to his forehead and pulled the trigger. Both were removed to the Miami Valley hospital and Thornhill died later.

**QUEER COINCIDENCE.**  
Zanesville, March 18.—Born of Irish parents on St. Patrick's day just 49 years ago yesterday, named Patrick because of the coincidence, and death on St. Patrick's day, his birthday, also, were the rather remarkable series of coincidences in the career of Patrick McAvoy, Baltimore and Ohio section foreman, who died yesterday afternoon. Concussion of the brain, due to a fall received Wednesday when he arose from a sick bed and tried to walk, was the cause of death.

**HEALTH OFFICER  
ISSUES NOTICE**  
The law stating that it shall be unlawful for any person to permit their "premises or adjacent street, lane, alley or public ground, to become foul, nauseous or offensive," this department will consider as "offensive" premises, etc., those that are not only unsanitary but are uncleanly. Hence all citizens, property owners and tenants, are requested and hereby directed to thoroughly clean up their respective premises, lanes and alleys adjacent thereto, on or before March 29, 1911, after which date offenders will be held responsible for violation.

Sexton filed his petition in the court of Licking County, Ohio, against them, in which petition he alleges that he is the owner of the undivided one-twenty-second part of tracts six hundred and six and six hundred and one, and also the east half of what was an alley along the West side of said tract No. 606, in J. D. Jones' addition to the city of Newark, Licking County, Ohio, which real estate is more particularly described in said petition; that said William T. Sexton is the owner of the undivided one-eighth acre, part of said tract No. 606, and that the other parties named are each the owner of the undivided one-eighth part of said premises.  
The object and prayer of said petition is that a receiver be appointed to collect the rents and profits of said real estate, pay the taxes and keep up the necessary repairs thereon, and that said real estate be partitioned and the interest of the plaintiff and each of the other parties be set off to each in severalty, or said premises be sold, as required by the statute in and to be made and provided, and for all other and proper relief.  
Said parties are required to answer on or before April 27, 1911.

## NEWSY NOTES OF INTEREST TO ALL GLASSWORKERS

This week's Commoner and Glassworkers contains the following budget of news which will be read with interest by all glassworkers in Newark.

All the bottle factories at Terre Haute, Ind., are operating steadily and eight continuous tanks are being worked full capacity in the different plants at that place.

The work of remodeling the Barnesville Bottle Co. plant at Barnesville, O., is progressing rapidly and it is expected that the factory will be making glass not later than May 1.

The Point Marion Novelty Co., Point Marion, Pa., is contemplating making an addition to its force of workmen in the near future.

The Pierce Glass Co., St. Marys, Pa., expects to start the second shift of blowers at its plant next Monday. This shift has been laid off since Dec. 23, and the news of resumption in full will be received with great satisfaction by the workmen.

Another furnace has been added to those already in operation by the D. C. Cunningham Glass Co., Pittsburgh, Pa., making three six-rod tanks in operation, employing 31 bottle shops.

The different plants at Philadelphia, Pa., are running as usual. Additional paste mold shops were added at the Gillinder Tacony plant a short time ago.

The directors of the Cashington Glass Co. held a meeting recently at Cashington, O., and declared the regular semi-annual dividend of 3 per cent.

The Phoenix Glass Co.'s plant at Washington, Pa., is still idle, having worked little more than half time this season.

Part time is the rule at the Hazel-Atlas Glass Co.'s factory, Washington, Pa., factory, owing to the remodeling of one of the tanks.

The Fenton Art Glass Co.'s plant at Williamstown, Va., is running in full with 12 shops on the roster. A new day tank was added at this factory a short time ago.

The night shift was added at the Wilcox Glass Co.'s bottle plant, Wilcox, Pa., some time ago. An eight-rod tank is being operated on a general line of ware.

A receiver was appointed last Wednesday for the Colburn Machine Glass Co., Franklin, Pa. The company was organized five years ago to manufacture window glass by machinery.

The Cheat River Glass Co.'s employees, Point Marion, Pa., are still making 11 turns per week. They may increase the present force to the extent of 20 or 40 shops, if present plans materialize.

The sale of the Premium Glass Co.'s plant at Coffeyville, Kan., has been confirmed by the court, and steps are now being taken to form a new company for the purpose of operating the factory. George F. Collins, formerly secretary of the

company, has been appointed by the purchasers to look after their interests.

At the Libbey Glass Co.'s plant, Toledo, O., everything is going along smoothly in nearly all departments. The cutters are now working full time and indications are that a successful season will be recorded.

The Fostoria Glass Co.'s plant, at Moundsville, W. Va., is operating satisfactorily with three furnaces and two day tanks in blast. The new gas producers are practically completed and will soon be placed in commission.

Gill Bros., Toronto, O., chimney plant resumed recently on a division of time, employing 24 shops per day. This gives the skilled workers one week's employment out of every three.

The Duncan & Miller Glass Co.'s tableware plant at Washington, Pa., is running steadily, with 15 shops on the roster, producing many kinds of tableware, dishes, etc.

The hand plant of the Enterprise Window Glass Co., Sandusky, O., was shut down this week and it is not known when it will resume operations.

The Cambridge Glass Co.'s bottle plant, Cambridge, O., is operating steadily with three furnaces in blast. There are about 40 shops on the payroll at the present time.

The will of David Lloyd, deceased, of Licking township, has been admitted to probate.

**Wants \$5,000 Damages.**

Nathan Zuckerman, by attorneys Fitzgibbon & Montgomery, Joseph C. Black and Sol Edgbert, has commenced suit in the common pleas court against Wilbert Priest for \$5,000 damages. For cause of action plaintiff charges that defendant, on March 9, 1911, falsely and maliciously charged him before John M. Ankele, mayor of Newark, with having obtained groceries from him by false pretenses. Because of the charges plaintiff says that he was arrested and imprisoned for four hours, but that when the case came on for hearing it was dismissed for want of prosecution and plaintiff was acquitted and discharged of the crime. Plaintiff says that he has been greatly injured in his credit and reputation and brought into public scandal and infamy and disgrace, and therefore asks judgment against the defendant in the sum of \$5,000 damages.

## OBITUARY

MR. WM. DAVID BARRICK.

Mr. William David Barrick of McKean township passed away at Columbus O., Friday morning, March 17 at 6:45 o'clock. The deceased was born in Licking county at the old Barrick homestead in 1858, and has lived all his life within sight of his childhood home. He is survived by his widow and two sons, Arthur L. of the home and Dr. Howard S. Barrick of Newark. Also two sisters, Miss Ella Barrick, a teacher in Newark township, and Mrs. Amelia Dunston of Highwater, Ohio.

At the time of his death he was 72 years, 5 months, 3 days of age, and for 34 years had lived a consistent Christian life, being a member of the Methodist Episcopal church, joining under Rev. Mr. Bostwick's pastorate at Liberty Chapel.

He was also a member of Farmers' Lodge No. 153, F. and A. M., at Fredonia, O., and during his active lifetime has held many offices of trust in affairs of church and state.

Always of a jovial, friendly and sympathetic disposition he numbered his friends by scores and always extended a helping hand when affliction came to his attention.

The many friends of the family will deeply mourn the loss of a good man and a loyal friend.

The funeral will be held at the home on Sunday, March 19, at 10:30 o'clock, conducted by Rev. Davis of Chatham.

AUSTIN JOHNSON.

Mr. Austin Johnson, a well known resident of this city, died about 2 o'clock Saturday morning at the home of his son, Harry Johnson, corner of Twenty-first street and Weiant avenue, after an illness of some time with dropsy. The deceased leaves four sons and two daughters to mourn his death. They are Harry Johnson of Newark, Mrs. Minnie Lindner of Anderson, Ind.; Mrs. Lucy Backlin of Chicago; Archie, George and Miner Johnson of Newark. The funeral services will be held Monday, but just at what hour is not known at this time.

**SAMUEL WATSON'S FUNERAL.**

The funeral of the late Samuel Watson, who died Thursday noon at the City Hospital, will take place on Sunday afternoon at 2 o'clock from the C. U. church on Maple avenue. Rev. E. S. Dillin conducting the services. Interment in Cedar Hill cemetery.

**FUNERAL OF MRS. A. WISEMAN.**

The funeral services over the remains of Mrs. Albert Wiseman, who died at the City Hospital Thursday night, will be held at the M. E. church, in Brownsville, on Sunday morning at 10:30 o'clock, and the interment will be made in the cemetery there.

**FUNERAL OF MRS. MARY REESE.**

The funeral services for the late Mrs. Mary E. Reese will be held at the home, 77 Chestnut street, Sunday afternoon at 1:30 o'clock, and the interment will be made in the Sharon Valley graveyard, in Welsh Hills. The deceased was one of Newark's oldest and most highly respected Christian women.

**CARD OF THANKS.**

We wish to extend our heartfelt thanks to the neighbors and friends who so kindly assisted us in the darkest trouble and through sickness and death of our loved one, Vernie May Willey. And we further thank Brother Byers for the kind words of consolation, and the market people and all who were so kind in sending the beautiful flowers.—Her husband, John Willey, Father, Mother, Brothers and Sisters.

## Newark Clean Up Day Wednesday March 29th

Wednesday, March 29, 1911, will be "Clean-up" day in Newark. Every citizen is requested to have his cellar, attic, back yard and alley cleaned thoroughly before the 29th. Place the rubbish upon the street in front of your property (store or residence) on March 28, and it will be carted away next day.

The Teamsters' Union promises over 40 teams and wagons for Clean-up Day, and has generously donated a part of the day's work at the request of the Board of Trade.

General observance of Clean-up Day, March 29, means thousands of dollars saved to Newark people in bills attendant upon sickness. It means much to the appearance of the city. Let every citizen do his or her part. Let's make Newark clean.

## DROPPED DEAD IN DRUG STORE THIS MORNING

Frank Christofferson, Ill With the Grip, Succumbs to Heart Failure After Exertion.

Frank Christofferson, aged about 24 years, son of Mr. and Mrs. Christian Christofferson, of 248 West Locust street, a former prescription clerk in the Erman drug store, dropped dead in the store Saturday morning at 11:30 o'clock.

Scarcely a day passes but that the Advocate is called upon to chronicle some occurrence that has its sad features, but when it tells of the sudden blotting out of a human life that only a few moments before was buoyant with hopefulness of the future, it seems especially sad.

Frank Christofferson had been suffering with a severe attack of the grip for the past month and was just able to be about again. He came down street Saturday morning and went to the Erman drug store, where he seated himself, and almost immediately slipped off his chair to the floor, expiring inside of three minutes.

When he slipped off his chair those in the store at first thought that he had just been overcome by the unusual exertion of the morning, but it was almost immediately seen that he was in a dying condition. Everything possible was done for him, but he soon expired, his death being due to a dropsical condition, together with heart trouble, with which he was troubled. The coroner was telephoned for, but as he could not at once be located, the body was removed to Bowers' undertaking parlors, where it was prepared for interment.

Young Christofferson had been in the drug business for several years. He was formerly connected with the C. M. Douce drug store on West Main street. For some time previous to his sickness he had been connected with the Erman drug store as prescription clerk, and was considered one of the best in the city.

The deceased was a young man of exemplary character and was possessed of many fine qualities which endeared him to many.

Besides the parents he is survived by two brothers and one sister, all of whom have the sympathy of the community in their affliction.

At this time it is not known when the funeral services will be held.

Spring Hats are being shown in all the new shades at EMERSON'S, Cor. Third and Main. 15-17

**CARD OF THANKS.**

We desire to extend our sincere thanks to all our friends, the G. A. R., Revs. Sparks and Applegate, who in their different capacities so kindly assisted us during the long illness and after the passing away of our beloved husband and father, Dr. J. W. Alexander. Also for the beautiful flowers sent as tokens of sympathy. We especially wish to express our appreciation for the valiant and untiring efforts of Drs. Harbottle, Eastington, Turner and the other physicians who so nobly administered to his relief. Mrs. Alexander, Sons and Daughters.

**TRAIN STRIKES AUTO.**

Indianapolis, Ind., March 18.—Two C. H. & D. engines, running Jouble-halter, struck an automobile here last night. Sadie Beach, Spann avenue, was injured seriously, and Ella Beach, Spann avenue, and Dr. Charles Coar, of the Indiana School for the Deaf, were hurt, but not seriously.

**HELD ON SERIOUS CHARGES.**

Hamilton, O., March 18.—Wm. Van Winkle was arrested here on a charge of opening a letter addressed to his brother Bert, extracting a money order and getting the money at the Hamilton postoffice by forging his brother's name. He was taken to Cincinnati.

## ALMOST DEAD WITH CATARRH

**"PERUNA HAS SAVED MY LIFE."**

Catarrh for Five Years.

Mr. J. S. Johnson, Greenville, Ill., writes: "I was for five years troubled with catarrh. Two years ago I had one foot in the grave. I had tried seven doctors and also went to a catarrh specialist in St. Louis, and took several kinds of medicine a day. I could not walk more than a hundred yards without resting. My friends told me to take Peruna, and I did so. I now feel that Peruna has saved my life. It is the best medicine on earth, and I would not be without it."

**A Heavy Cold.**

Samuel McKinley, 1215 Grand Ave., Kansas City, Mo., member of the Society of the United States Jewellery Auctioneers, writes:

"I can honestly say that I owe my life to Peruna. After some of the best doctors in the country gave me up and told me that I could not live another month, Peruna saved me."

"Traveling from town to town, throughout the country, and having to go into all kinds of badly heated stores and buildings, sometimes standing up for hours at a time while playing my trade as auctioneer, it is only natural that I had colds frequently; so when this would occur I paid little attention to it, until last December, when I contracted a severe case, which, through neglect on my part, settled on my lungs."

"When almost too late, I began doctoring, but without avail, until I

heard of Peruna. It cured me, so I cannot praise it too highly."

**Nasal Catarrh, Coughs.**

Mr. Emil Dickart, 249 Forsyth Ave., Hammond, Ind., writes:

"I am entirely cured of catarrh of the nose and my stomach is in good condition also. I only used about 5 bottles of your great medicine, although I had catarrh so bad and for so many years that I thought I would not live much longer. I had to consult doctors right along. Now all my friends say I never looked as well as I do now."

"I can also say that it is a great remedy for coughs, because I gave it to my children. I never will be without it. I used enough other medicine to know how valuable Peruna is."

"You are at liberty to use my name in spreading the merits of Peruna."

## WHILE BUILDING

The Offices of the Buckeye State Building and Loan Company will be at 40 West Gay Street, Columbus, Ohio.

While Mr. Rankin is building the new fireproof building for the use of the company, he has arranged fine temporary quarters at 40 West Gay street, in the property owned by Mr. J. J. Elber. The new building will probably be completed by July, or before. The assets of the company are now over \$4,500,000, all loaned on homes, the safest of all mortgage loans. Five per cent paid on time deposits.

**HAVE YOU TESTED YOUR SEED CORN?**

The testing of seed corn, while always a matter of safety, has seldom been so necessary as it is this spring of 1911.

When husked last fall corn carried much more than the normal amount of moisture. Twenty-seven to thirty percent was not at all uncommon. This in itself would have been cause enough for alarm if normal temperatures had prevailed. But November of 1910 had the lowest mean temperature of any November during the 23 years of the Experiment Station's records. Very early in November mercury dropped to 10 degrees below freezing and day after day it was from 10 degrees to 15 degrees below freezing. These two factors are without a parallel in recent years and should give the corn growers no little concern.

Three weeks ago this Station wrote to prominent corn growers in all parts of the State for samples of corn from 100 representative ears which had been saved for seed, or for reports of germination on tests already conducted by them. The samples received in response to this call have been germinated and reveal a condition which was expected. The range of germination is from 45 to 96 per cent, much seed which had been handled with considerable care showing below 50 per cent.

Such a state of affairs will result in a very poor and uneven stand of plants in Ohio corn fields, unless every ear of corn intended for seed be carefully tested to determine whether it will grow.

In conducting the germination test it is important that the conditions which the corn will have to endure in the field be duplicated as nearly as possible. Condemn every ear of flow vitality to the seed trough, where it will prove of some value, but if used for seed will cause a loss of from \$1.50 to \$5.00.

What can the corn grower do that will make him any more money than to weed out these worthless seed ears?

## NEW CORN CURE A REAL MARVEL

Guaranteed and Absolutely Painless.

A corn cure that is painless and that will really do the work has finally been discovered. Heretofore, the poor sufferer from corns has been pestered with "drawing" salves and plasters that swell the corns, and has had finally to gouge out his corn and inflict upon himself still greater pain. With Hall's Painless Corn Cure all pain ceases on the first application, and then finally the corn comes right off easily and painlessly. You don't have to dig it out and run the risk of drawing blood, making your corns still more sore or getting blood poison.

Hall's Painless Corn Cure is easier to use than any other; it takes a few seconds to apply it. It is guaranteed absolutely in every case. You must be satisfied, or back goes your money.

Lasts longer than several packages of any other corn treatment, and you are sure to get rid of corns and bunions. Sold at 25 cents a bottle at

## Daddy's Bedtime Story

General Custer

**T**HIRTY-FIVE years ago, children, this country was greatly saddened by the death of a well known general and his men. The general's name was Custer, and he and his men were killed in a fight with Indians. General Custer was one of the best known soldiers of the country, and when the Indians killed him there was mourning throughout the United States. He was a brave fighter and had fought in the great war between the north and the south. Afterward the government sent him to fight against the Indians, who were mistreating. The Indians had a leader who was very wise, and this he saw daddy began his bedtime story:

"I am going to tell you a story about Custer to show you that sometimes the greatest, bravest fighters among soldiers are tender hearted men who fight only because they feel that their cause is right and just. For instance, Washington was a very good general and a brave fighter, but he was also a good hearted man."

"One day General Custer was leading a long line of soldiers across the prairie. He was riding at the head of his soldiers when suddenly his aid, the man who rode with him, saw him glance at the ground. Then the general drew his horse aside to the right and ordered his men to change the line of march—that is, each man as he reached the spot where the general had paused had to turn aside a few steps and march along on a different line. Then, after going a few steps in that direction, he had to follow the general, who went along on the same line they had been on first."

"The men behind the general could not see why he had changed the line of march to go a few steps out of his way. Even the general's aid could not tell at first what had made General Custer change his mind. But when he looked down on the ground he saw the cause. And each man of the long line of soldiers when he came up saw the same thing. On the ground there was a bird's nest, and in it were a little mother bird and some very tiny birdies. She had been unable to get out of the way when the soldiers came, but the general's quick eye had seen her."

"It is said that in one of the great battles in the civil war a famous general saw lying on the ground a poor little frightened squirrel which had been hurt slightly by the fall of a tree. The tree had been cut down by a cannon ball fired by the enemy. When the general, in the midst of the battle, saw the little creature on the ground in great danger of being hit, he stopped, picked it up and put it in his pocket. And there he carried it all day until the terrible battle was past."

## Quarter Century Ago

(From Advocate, March 8, 1886.)  
Mrs. John Zimmerman entertained a pleasant party of friends at her home in the West End.

St. Patrick's day was celebrated by a number of the members of the St. Francis de Sales church at the City Hall.

The work of remodeling the store room on the West Side occupied by Major Edwin Nichols, the druggist, is being rushed. The room will be occupied by the Boston store when completed.

The Ellis family of bell ringers, and xylophonists will give one of their popular entertainments at the Fifth Street Baptist church next Thursday evening.

## NEW DISCOVERY

Has Put the Good Old Dirty Mustard Plaster Out of Business.

A box of Begy's Mustardine will banish as many aches and pains as forty mustard plasters.

And only 25 cents for a yellow box full that T. J. Evans guarantees to cure headache, earache, toothache, neuralgia and pain in chest or back, or money back.

Just rub on Begy's Mustardine. It's better than a mustard plaster. Kills all pain and does it faster. It isn't sticky or greasy and won't soil your garments.

It drives soreness from throat and chest; stops irritating coughs, reduces swollen joints, and takes out stiffness and lameness.

It's the best all around remedy for all the troublesome aches and pains that are common in every home. It's better than any liniment. Keep a box on hand.

## PERSONALS

James Hill of Johnstown was in the city today.

Vernon Redding of Mansfield is in the city today.

J. Howard Jones went to Pittsburgh today on legal business.

## GRANVILLE

### MANY IMPROVEMENTS FOR THE BEAUTIFICATION OF VILLAGE SHOULD BE MADE.

Officers of Enterprises Elected—General News of the College City and Vicinity.

Granville, March 18.—Several days ago your correspondent took occasion to say a few words about interesting children in the work of garden making and town beautification. Now, while we are on this subject, wouldn't it be a good thing for the elders of the young people to set them a good example? As one goes about the village, he sees many buildings that ought to be painted, many eaves in yards that ought to be removed, many ash piles and rubbish heaps that should be cleaned and many other improvements that could be made. Fences need mending and trees stripped of the dead branches. These are little things that can be done by every owner or renter of property and the town will look the better for it. Let us get rid of the idea that we have to take our visitors only among the beautiful places. Let us manage it so that we can take pride in taking them to every part of our beautiful town.

The regular services will be held at St. Luke's Episcopal church on Sunday, at 10 a. m. and 4 p. m. The subject of the morning sermon will be "God's Relation to Evil." Sunday School will be held at 11 o'clock. The subject for the afternoon discourse will be "War and Peace." Lenten services, Wednesday, 4 p. m., Friday 7 p. m.

Mr. and Mrs. G. D. Benner and children, of Fostoria O., who have been visiting relatives and friends here during the past few days, returned to their home Friday.

Word was received here of the death of Mrs. Amelia Kidd, widow of the late John Kidd, who formerly lived in Granville. Mrs. Kidd had been making her home with her two daughters, Alice and Gertrude, in Abilene, Texas, where she passed away in the eighty-first year of her age.

Mrs. Norman E. Hascall and daughter of Toledo spent several days of the week here with Norman Hascall, who is a student in Denison university.

Miss Jessie Street is entertaining for Mrs. J. R. Brown of Toledo at her home on North Pearl street, this afternoon.

Mr. George Conrad will at once commence the construction of a residence on the farm he recently purchased on the Welsh Hills road, northeast of the village, from J. P. Moore.

Mr. and Mrs. C. N. Williams, of Bucyrus, O., who have been visiting relatives and friends here for a few days returned home Friday.

Miss Rachel Jones entertained on Wednesday afternoon at the Sigma Delta Phi chapter house, in honor of Miss Mitchell, of Cincinnati, who has been visiting Miss Grace Larnard at her home on North Pearl street.

Miss Fanny Dewart, of Cleveland, is here to spend Sunday.

At the last regular meeting of the Enterprises, officers for the second semester were elected as follows: President, Alice Lamb; vice president, Edna Edwards; recording secretary, Isabel Talbot; corresponding secretary, Grace Doup; treasurer, Ann Zollars; prosecuting attorney, Hazel Long; Chaplain, Margaret Smith; critic, Grace Cochran.

Mrs. J. R. Brown, of Toledo, has been visiting her parents, Rev. and Mrs. T. J. Field, at their home on North Pearl street.

## GARDEN TRUCK IS DESTROYED BY MARAUDERS

Vandals Thursday night committed depredations on the farm of Mrs. Helen Campbell, on the Cherry Valley road, that should land them in the penitentiary if apprehended.

Mr. and Mrs. Frank Roll have leased the place and had planted a great deal of garden truck for the spring markets. They have been nursing it carefully and taking great pains, that it might properly mature. Thursday evening they covered all their beds, weighting down the covers with heavy weights. Mr. Roll worked until midnight before retiring. Sometime between the midnight hour and morning some person or persons got into the beds, threw all the weights aside and exposed the plants to the inclement weather, and when Mr. Roll arose the next day all the vegetation had frozen.

The act was most contemptible and no one but a being deprived of all moral sense, with the ingenuity of a sneak thief would resort to such a trick for either a real or fancied grievance. If caught he should be given a prison sentence of the extreme penalty, one of such length that would afford him every opportunity of meditation on the smallness and pure cussedness of some people whose proper station in life ought to be mixing with the swine of the fields rather than human beings.

At a late hour the friends took their departure each expressing their enjoyment of the pleasant evening spent and wishing Mr. and Mrs. Albough a long and happy life.

## MEMBERS HAD AN EXCELLENT TIME AT "THE ROOM"

Athletic Stunts and Music Featured the Entertainment of Number of Young Men.

Wednesday night was one of more than ordinary interest at "The Room," in the way of boxing, singing, athletic stunts and other entertaining and humorous features.

The first event of the evening was a 4-round glove contest, Wm. Zimmerman, who has had considerable experience in the ring, having been the opponent of Monte Attel in a 32-round draw, Sammy Trot, Albionese, Palmer and many others, his protégé, Joe Couch, who lacks nothing but experience. The event held the spectators breathless, relieved at times with hearty applause when a series of clever shifts, ducks and feints would reach a climax of extraordinary skill. Young Couch is a natural boxer, game and learns fast and has a good instructor in Zimny.

Immediately following this bout Fritz Drake, the well known boy soprano, sang several solos, which were appreciated as they should be for he has a remarkably clear voice of great range.

Ernest Thoma then sang several solos and his rich baritone voice made a hit with the crowd. Mr. Thoma is also an amateur photographer who is fast getting a reputation for work of unusual merit in this line. He took several flash light photos, one of the entire assemblage in a group that has proven to be a truly remarkable piece of work, and several others of the boxers in their favorite poses that are under the circumstances very good.

"Duck" Drake and Harry Lehman, the all around athlete and slack wire performer, then went 4 interesting rounds with the gloves.

"Ducky" is the official announcer and all-around performer for "The Room," always willing to join the mits with anyone of any weight, skill and experience and is quick to adapt himself to his opponent's style and boxes accordingly, and invariably makes a good showing. Having a pleasing baritone voice, witty and a natural, unaffected entertainer, he is in between events in a manner that makes him very popular.

A quartette composed of "Fritz" Howarth, bass; "Ducky" Drake, false tenor; Ernest Thoma, baritone; Fritz Drake, alternating with alto and soprano, sang a number of selections that would please any lover of singing and was popular with those present.

Fritz Howarth, who is deservedly the best exponent of the mauly art in the city, went 4 very fast rounds with the always popular performer, Laz McKenna.

The suspended rings came next on the bill. Fred Brown, who is proprietor of and promoter for "The Room," led off with his famous "get-up," a feat of strength and skill that was as far as known never been excelled. Jesse Straud, the B. & O. engineer, then went through his repertoire on the rings and bar, at which he easily excels other members of the club.

"Z. D. Dunn came in at this point with his imitations of Little Eva and Uncle Tom, a burlesque dialogue that brought a roar of laughter from his delighted audience.

"Doodle" Parker, who was once a very popular member of the "bunch," returned after several years absence and was also present and his famous laugh made good with the new members and was welcomed by the old ones. He ably assisted in all of the athletic stunts.

"Doc" Johnson, the popular dentist of East Main street, was present and prepared to extract any broken teeth, or render any other service in his line, which fortunately, however, was not necessary. The bunch is always pleased to have "Doc" present.

Cy Ball, Sylvester Gainer and Steve Costello are good performers, but owing to an indisposition on their part they did not feature.

"Jackie" Roesser, of the Advocate

## CAMP MEETING AT LANCASTER

Will Open This Year on August 3 and the Assembly Will Open on August 13.

The great camp meeting in Ohio will open August 3, Rev. I. E. Honeywell of Chicago, Ill., will be the evangelist, and Prof. Homer Rodeheaver will again lead the music. The preachers of the Ohio Conference, the Methodists of the state with other earnest Christians will make up the strong body of workers for which this camp is noted.

Evangelist Honeywell gets close to the people. Everybody will like him. He has rented a cottage and will occupy it with his family in advance of the meeting. He will meet the people as they come and have the line-up complete on the opening day.

There is only one Rodeheaver and the music folks always rally to him. He will have the greatest chorus ever assembled here, and that is saying a great deal.

While not yet complete plans are forming to take care of the Young People's meetings and kindergarten better than ever.

Cottages are already being rented rapidly. Also at least six new cottages will be built and occupied before opening day.

The assembly will open on Sunday, August 13, Dr. Camden M. Coburn who so delighted the people last year will preach on the opening day and lecture every day as last year.

## RECEIPTS OF LOAN EXHIBITS NEARLY \$750

Most of the reports for the sales of tickets for the Library Loan Exhibit have been made, and the estimate for the total receipts is placed in the neighborhood of \$750, and there are still sales to be heard from. The committee having the affair in charge had hoped for \$1000 as a result of their work, but feel well repaid. The amount is practically clear, as the expenses were very slight, everything being donated.

The money is in the hands of an executive committee, which will see to the purchase of supplies and books for the city library. The merchants of the city loaned the show cases, and as there are several at the church which have no names, any merchant who has not had his show case returned is asked to phone Miss Wotringer, Citizen's phone 6032 Red.

## NEWARKITES AT THE LOS ANGELES STATES BANQUET

Hundred or More Ohio Citizens, Including Number from Here, Attend Function of Federated States Societies.

Los Angeles, March 18.—One hundred or more former residents of Ohio sat down at the table reserved for Ohioans in Hamburger hall last night, when the doors were flung open for the second annual banquet of the Federated State Societies of southern California. In all there were more than twenty-five hundred present, and practically every state in the Union and all the provinces of Canada were represented.

The most prominent speaker was former vice-president of the United States, Charles W. Fairbanks, and "are was taken that the famous 'cocktail incident' was not repeated, for the dinner was what one of the officers of the federation called a "smokeless, wineless, drinkless, but not a smileless affair."

Mr. Fairbanks, who was the first of the speakers, was introduced by Frank W. Dowling, the toastmaster, as the "man who was Teddy's side-kicker during the strenuous days that have passed." His subject was "Our Country," and his address was short and very much to the point. He told the newly made Californians that they must be loyal to the traditions of their old homes, and warned them they would find it hard, even if they wanted to do so, to loosen the ties that bound them to their old states.

Hon. W. L. Eaton, of Des Moines followed with a talk on the "Work of the Pioneer in History." The aims of the Federation of State Societies were outlined by its vice president, Edward Winter, who spoke on "Our Society." Eugene W. Chaffin, prohibition candidate at the last national election for the presidency, was the next speaker. He urged a commercial combination between Arizona, New Mexico and California. The Panama canal's probable effect on the country as a whole, and especially on the south and west, was the subject discussed by former governor of Minnesota, Samuel R. Van Sant, Matt. S. Hughes of Pasadena, wound up the program with a talk on California.

Hamburger hall was beautifully decorated with flags of Canada, the United States and the different states, and flowers and lights. The tables each bore the name of the state for which they were reserved. Among those at the Ohio table were the following: Judge M. T. Allen, Miss Caroline Anderson, W. A. Baldwin, Laura M. Bisant, William M. Cartwright, Zanesville; Edward and J. L. Eby, Oliver E. Forsyth, Charles and Mrs. Tdna Nicodemus, Miss A. R. Oestergard, Canton; R. J. Doyle, A. F. George, John Hanson, A. C. Ireland, Howard A. Kendall, Chillicothe; Henry Kiefer, Edward W. Kinsey, Walter R. Leeds, A. S. Longley, Kenton A. Miller, Cincinnati; Dr. Nye W. Goodman, H. M. Gorham, C. B. Guthrie, J. P. Jones, L. O. Mathews, Cleveland; Charles T. G. Kessler, M. M. Lawson, Mrs. Viggo Lerch, George P. Lewis, Mrs. L. L. Magee, Columbus; Mrs. W. W. Alward, B. T. Hickman, Mrs. M. E. Hoover, P. L. Noll, Chris Nutt, Dayton; Mrs. L. Abbott, Miss Lela Buckholz, J. F. Craig, Dr. F. T. Howenstein, Sibley G. Pease, Toledo; Mrs. (Rev.) W. H. Ball, Mildred A. Beery, A. E. Masserly, John De Muth, G. D. ## Last Night's Play.

Harold McGrath's "The Man in the Box" has always attracted a large audience. The most delightful romance and it is the most romantic has been called the making of a most entertaining play. It was presented at the Auditorium theatre last night. The story is well known, a young army officer, returning from a long trip abroad, finds a woman with an unknown young woman on a steamer. Later she turns out to be a chum of his sister. Without knowing this in a spirit of fun, he left Watson to decide to play a joke on her, after by taking her coachman to the box. At the leave taking, hundreds of guests he becomes confused and gets the wrong carriage, thus containing his lady of the steamer. He continues in her company and the complications are interestingly amusing.

John Mehan has replaced Henry Dixey, who originated the role of the Weburton and gave a most delightful interpretation of the character last night. He is of handsome appearance, gets the real comedy from his lines at all times and his acting is most perfect. Equally capable was the work of Miss Marion Johnston as the wife of Miss Johnston. A pretty young woman with a charming talking voice and possesses much ability as an actress. Russell G. Randall as Charles Handerson, Bob's newspaper friend and Miss Ida Parks as Mrs. Conway, Bob's friend, were capable and the remainder of the company gave nice support.

## "THE CLIMAX"

Since H. H. Hilton, undoubtedly England's best amateur golfer, propounded the proposition that he could give the best woman player in the world a stroke a hole and that her seven days a week, the dismission of a man's game against a woman's game plus the stroke, has raged violently.

In America, the opinion is that the men play so much better golf, proportionately, than the average woman that it is comparatively easy for the men to win from the women, even though they give them a stroke.

In an effort to defend a woman's side of this argument, Miss Florence Webster of "The Climax" company, will come to the Auditorium on Saturday, March 18, matinee and night, has been

amateur and professional players. The play is a most delightful romance and it is the most romantic has been called the making of a most entertaining play. # SUNNY MONDAY

There is not an ounce of rosin in Sunny Monday Laundry Soap. Rosin is used in all other laundry soaps—because it is cheaper than the fats and oils used in Sunny Monday. Sunny Monday costs more to manufacture than any other laundry soap of which we know. It is kind to clothes—will not shrink flannels or woollens, or turn clothes yellow. Sunny Monday is just as pure as its whiteness indicates; it is the safest and most economical laundry soap you can use.

# 3 MILLION ORANGES HERE

## Another Big "SUNKIST" Sale Lasting All Next Week, Begins Monday, Mar. 20

The biggest lot of oranges that ever came to this city has just arrived—THREE MILLION of them. They arrived by special Fast Freight direct from the big "Sunkist" fruit groves of California. They are the "Sunkist" brand, famed for their delicious flavor and health-giving properties. Each local fruit dealer is laying in a liberal supply of "Sunkists" and on next Monday morning all dealers will put on a Special "Sunkist" Orange Sale, lasting throughout the week.

### California's Finest Oranges

"Sunkists" are California's most luscious oranges—choicest of each of 5,000 California Orange Farmers. They pack all their perfect oranges under the one name, "Sunkist," and ship them by special fast freight the day they are picked.

The "Sunkist" is a tree-ripened orange, seedless and fibreless—never pithy—every "Sunkist" is firm, solid and sound. It is picked by a gloved hand. No orange that falls to the ground or becomes bruised or damaged in any way, ever bears the "Sunkist" name.

### How to Serve Them

Oranges are the most appetizing and nourishing food you can serve—at breakfast—in the sick-room—between meals—in salads, ices, sherbets and puddings.

There is no limit to the number of excellent dishes of which "Sunkist" oranges form the basis.

Buy a box of "Sunkist" oranges and your fruit dealer will make you a special price. You will find no trouble in keeping them as long as you want to, because "Sunkists" reach you in excellent condition.

### Physicians Advise Them

Leading physicians say that to counteract the effect of meat and other heavy foods we eat, one should eat oranges liberally. It is a universally known fact that orange juice is an excellent food for the brain cells and a tonic for run down nerves. No better laxative than sound, ripe "Sunkist" oranges can be found.

### Cost No More Than Common Oranges

"Sunkist" oranges are cheapest to buy because they are thin-skinned, fibreless and seedless. They are nearly all food and no waste. You lose money if you buy pithy, seedy, thick-skinned oranges.

### Free Premiums for "Sunkist" Wrappers

The "Sunkist" orange always comes in a "Sunkist" tissue paper wrapper that protects the oranges and retains all their tree ripened flavor. This name on the wrapper means you are buying, at a reasonable price, the finest orange of all.

"Sunkist" wrappers should be kept and sent to us to secure, free, a set of genuine Rogers Orange Spoons, Dessert Spoons and Fruit Knives. The patterns are new 1911 styles, designed exclusively for us. They are as attractive and stylish as money can buy. All are Rogers quality, standard A-No. 1 plate and are fully guaranteed by the makers, Wm. Rogers & Sons. No advertising appears on any of our premiums.

Read on the right the description of these valuable premiums and how to get them.

### "Sunkist" Lemons

The better grade of lemons are now packed in "Sunkist" wrappers. By calling for "Sunkist" lemons, you avoid the kind that are thick-skinned, pithy and insipid. "Sunkist" lemons contain 50 per cent more juice than any other lemons. "Sunkist" lemon wrappers are accepted by our premium department.

## JAPAN'S SEIZURE OF THE PACIFIC ISLANDS MEANS IMMEDIATE WAR

Washington, March 18. — Japan could easily take possession of the Pacific Islands under existing conditions, Major General Nelson A. Miles, retired, formerly ranking general of the United States army, declared last night.

General Miles was discussing the article by Count Von Reventlow, published yesterday morning and its prediction of ultimate war in the not remote future between Japan and the United States. Replying to the direct question if Japan could take possession of the Pacific Islands, General Miles said:

"Yes, they could. The Philippines, Hawaii and Guam in their present condition are a source of weakness to us. But the instant they were seized war would begin. Its character can be judged best by the metric shown by the yellow men seven or eight years ago and what we know the American soldier is.

"The instant war was declared,"

he continued, "every machinist, iron worker, steel worker, skilled and unskilled laborer from one end of the country to the other would start to work on munitions of war, additions to the fleet and what not, the scope of which would stagger experts of the profession of war."

General Miles is not among those who believe that Japan will go to war with the United States.

"There is no earthly or sane reason," he said, "for Japan going to war with America."

"But if it does come—in the event that Japan lands an army on the Pacific coast," he was asked, "could they be able to remain?" Patriotic fire glowed in the eyes of the man of peace as he replied:

"The Japanese army and navy would find more than one Port Arthur—there would be five, six or seven more, each defended by an army of capable men, splendidly officered, with six trunk lines carrying supplies and ammunition across the Rocky Mountains as fast as the best locomotives in the world could travel. The Pacific strongholds, such as San Francisco, Portland and other ports, would not be the task that Port Arthur was. Japan would be up against a different proposition entirely."

"How quickly could an army be mobilized for real war?" was asked. "In three or four weeks the United States could place an army of 1,000,000 men in the field, properly equipped and effectively officered, with generals commanding them that are by no means defective in the art of war," he answered. "The nucleus would be from the regular establishment—and this regular establishment is not the organization some would have the American people believe. It is simply prepared for the bloody horrible, desolating contests that it was created for."

"Do you believe that Great Britain would tolerate an effort on the part of Japan to control the Pacific?"

"No. She would be cutting off her nose to spite her face. If Japan controlled the Pacific, what would become of the 52 per cent of the transoceanic shipping of the world's commerce that England holds? What would be the position of Australia, New Zealand and her Southern Pacific possessions? Before Great Britain would allow Japanese control of the Pacific there would be long and deliberate thinking by British statesmen."

"A war between this country and Japan," he continued, "would resolve itself into a contest between a big nation with an inexhaustible supply of wealth and a small nation on the verge of bankruptcy. There could be but one end to it. Japan would be utterly annihilated if it continued long enough."

"If Japan could gain several successes on the spot there would be a rapid rebuilding or addition to the naval fleet. American energy and American blood are not good for nothing. Japan would soon find herself locked up in her own little is-

lands, with some of them possibly occupied. It is the height of absurdity to imagine for an instant that Japan or any other power, for that matter, could capture part of our continent or insular possessions and retain them permanently."

Speaking of the Russo-Japanese war, General Miles, while admitting the superiority of the Japanese arms and giving Japan credit for being a wonderful military nation, he added that some of the popular glory awarded to her generals for victories over the Russian commanders was due primarily to superior strategic positions at all stages of the conflict.

### Denied by Dewey

Admiral Dewey expressed his friendliness for Japan in a card he gave out last night, denying statements in a published interview with Count Ernest Von Reventlow, the German strategist. In this interview Count Von Reventlow is quoted as follows:

"I recall a remark made by Admiral Dewey just after the peace negotiations had begun at Portsmouth to the effect that America ought to have attacked Japan at an earlier date because she was becoming more powerful than was compatible with the interests of the United States."

Admiral Dewey says he never made such a statement, and adds:

"Furthermore, no views are and always have been just the opposite. It has been my aim ever since I assumed command of our Asiatic fleet in 1898 to cultivate a friendly feeling between this country and Japan."
